About Us

We, Elshaddai Engineering Equipments, have more than 15 years of experience in manufacturing domain. This experience has helped us in understanding the market requirements and coming up with the desired range. Today, we are meeting various healthcare sectors as a profound Laboratory Equipment manufacturer & supplier. The equipment is fabricated using high grade material and advanced technology that are sourced from leading vendors. Moreover, to ensure on time delivery of products, we are supported with wide distribution network and transportation facilities.

We introduce ourselves as ELSHADDAI ENGINEERING EQUIPMENTS, leading Professionals in Manufacturing various Laboratory Equipments and supplying for both the industrial and educational clients. Ours is a Registered Firm. We have got experience, ranging more than 15 years in this field. We have also been well supported by qualified engineers and technicians for designing, manufacturing and installation of these equipments.

Key Facts

Nature of Business	Manufacturer
Primary Competitive Advantages	AUTOMOBILE ENGINEERING LAB EQUIPMENTS,educational laboratory equipment,AERONAUTICAL ENGINEERING LAB EQUIPMENTS,civil engineering lab equipment,MECHANICAL ENGINEERING LAB EQUIPMENTS,CHEMICAL ENGINEERING EQUIPMENTS,AGRICULTURAL AND FOOD TECHNOLOGY LAB EQUIPMENTS,pharmaceutical processing equipment,LAB PRODUCTS,EDUCATIONAL LABORATORY EQUIPMENTS
No of Staff	15
Year of Establishment	1999
OEM Service Provided	No
ProductRange	AUTOMOBILE ENGINEERING LAB EQUIPMENTS,educational laboratory equipment,AERONAUTICAL ENGINEERING LAB EQUIPMENTS,civil engineering lab equipment,MECHANICAL ENGINEERING LAB EQUIPMENTS,CHEMICAL ENGINEERING EQUIPMENTS,AGRICULTURAL AND FOOD TECHNOLOGY LAB EQUIPMENTS,pharmaceutical processing equipment,LAB PRODUCTS,EDUCATIONAL LABORATORY EQUIPMENTS

Our Products

**Stefan Boltzmann
Apparatus**

**Metacentric Height
Apparatus**

**Orifice Mouthpiece
Apparatus**

Flow Through Notches

Lagged Pipe Apparatus

Pin Fin Apparatus

**Parallel Counter Flow
Apparatus**

**Air Conditioning Test
Rig**

**Natural Convection
Apparatus**

Emissivity Apparatus

Pump Testing Rig

**Torque Measuring
Instrument**

Force Vibration Test

**Displacement
Measuring Setup**

Kaplan Turbine

Francis Turbine
